

ABOUT US

MCITY Support Services is transforming healthcare delivery across Ontario. We bring compassionate, professional care directly to private homes and care facilities, creating supportive environments where clients thrive physically and mentally. Our dedicated team works to help every individual reach their fullest potential with dignity and sincere compassion.

EXPERIENCED CARE

We take the time to hand-select certified, well-experienced and empathetic professionals to provide the best quality of service possible.

- ✓ EXCELLENCE

OUR SERVICES

PERSONAL CARE

We assist with daily activities, including bathing and personal grooming, and provide comprehensive support for all aspects of daily life.

COMPANIONSHIP

We promote mental and physical well-being by providing clients with healthy social interactions.

RESPIRE CARE

Family caregivers can take a break with our help while we step in to care for the needs of their loved ones

NURSING SERVICES

We provide skilled nursing care for your complex medical needs, including injections, IV therapy, and clinical health assessments.

FOOT CARE

Our foot care services offer comprehensive and professional treatment tailored to meet the unique needs of every individual.

WOUND CARE

Wound care management can be tedious. Let us manage your wound to prevent infection and ensure proper healing.

MEAL PREPARATION

We help prepare nutritious meals tailored to your specific dietary needs.

PALLIATIVE CARE

We provide physical and emotional support to people living with life-limiting illnesses.

TECHNOLOGY ASSISTANCE

We help you navigate and master everyday technology, from smartphones and laptops to video calls and beyond, with patient guidance tailored to your pace.

CLEANING SERVICES

We offer comprehensive, professional cleaning services tailored to the unique needs of your home and residential spaces.
