Let Us Help You Provide the Best Care

How It Works:

1

Find care near your loved one

Discuss your loved one's needs with your local Care Expert.

2

Get a plan that works for your family

After an initial assessment, we recommend a custom care plan.

3

Take a breath. Day or night, you're never alone.

We're here for you, proactively thinking about your loved one's evolving needs.

Qualicare

Connect with your Care Expert today and get the help and guidance you deserve.

As life in your family evolves, we're here to help you manage the challenges of caregiving, so you can focus on what truly matters — spending quality time with your loved one.

Compassionate, Comprehensive Home Care for Your Loved One

Caring for a loved one who needs more than you can give can feel overwhelming. Whether they need a little help around the house, company during the day, or support with a complex health condition, the responsibilities add up quickly.

At **Qualicare**, we've supported Ontario families since 2001. We build a care plan around your loved one's needs, routines and personality, so they can stay safe and comfortable at home and you can get back to spending quality time together.

Our Home Care Services Include:

Personal Care & Daily Living

Bathing, dressing, mobility, meal preparation, medication reminders and light housekeeping.

Companionship & Outings

Conversation, activities, errands, appointments and time out in the community.

Dementia & Alzheimer's Care

Calm routines, consistent caregivers and activities that keep the mind engaged.

Nursing & Complex Care

Wound care, chronic condition management, recovery after surgery, and palliative and end-of-life care.

Care Planning & Respite

Hospital-to-home transitions, care coordination, and breaks for family caregivers.

Why Choose Qualicare?

We're here to provide peace of mind with care that makes all the difference.

Compassionate Caregivers

Experienced, certified caregivers and nurses from your loved one's community, matched to their needs and personality.

24/7 Professional Support

Our Care Experts are available 24 hours a day, 7 days a week, to answer your call and offer guidance whenever it's needed.

Solutions for Everything

From help around the house to dementia, nursing and palliative care, our team builds a plan that fills the gaps your family is struggling to fill.
